DAILEEN ROBERT INTERVIEWED: 1/13/08 2:40A. M.  
I conducted an interview with a Blue House employee identified as:

DAILEEN ROBERT (VIVIAN)  
FEMALE/ CHUUKSE/ 19 YEARS OLD

who stated that she was being prostituted against their will, and that she has been wanting to leave the establishment but couldn't due Cha having her passport. While I conducted my interview with Robert, she stated that she was recruited in Chuuk by a person who works for the owner of Blue House Lounge identified as:

SONG JA CHA (MAMA)  
FEMALE/ KOREAN/ 66 YEARS OLD

and was promised a job as a waitress in a restaurant or an employee in a convenient store. Upon arrival in Guam, she was immediately taken to Blue House to work. She was briefed in what was expected of her by Cha, which was to sit with the customers and entertain them. If the customer buys a "ladies drink" which cost \$40.00 USD, she would have to accompany the customer to the comfort room give them a massage and then followed by sexual activity. According to Robert, if she refuse sexual activity and the customer complains to Cha, she would get in trouble and she won't be fed for the night. Robert arrived in Guam on 12/11/07, and since has engaged in sexual activity with approximately over 10 customers. Robert stated that she together with other girls who were employed in Blue House Lounge were taken to the Abortion Center in Tamuning to get a Birth Control shot. Earlier in the morning, I noted Vivian in the room with Bituin. I inquired if Bituin paid \$40.00 to engage in sexual activity, which he did. Prior to me knock on the door, Bituin and Robert were both already fully naked, engaging in sexual touching. According to Robert, Bituin was touching and rubbing on Robert's private parts, such as the vagina and breast. I conducted an interview with another employee identified as:

SIMIRINA SAMUEL (CINDY)  
FEMALE/ CHUUKSE/ 22 YEARS OLD

who stated that upon her arrival on Guam on 12/1/08, she was brought to Blue House to immediately start working as a waitress. Samuel was also promised a waitress position in a restaurant or a store employee in a convenient store. Since Samuel's start in Blue House Lounge, she has had about 10-20 customers whom she had engaged in sexual activity with for a monetary payment. Samuel stated that her very first night in Blue House, she had her first customer whom she had sexual intercourse with. According to Samuel, the \$40.00 goes straight to Cha which supposedly pay's for the ladies drink. Both Robert and Samuel stated that they were virgins prior to being employed in Blue House and that they have yet to be paid by Cha. SUSPECT INTERVIEWED: 1/13/08 5:48A. M.

I conducted a interview with one of the suspects earlier identified as Freda Eseun, who stated that she was hired by Cha in 2006 but quit in 9/2007 to pursue a relationship with a customer. Relationship did not work out which caused her to return to Blue House Lounge for re-employment in 10/07. Eseun stated that she is a waitress but would sometimes bar tend and she also stated that she has no alcohol (ABC) license. She also stated that along with being a waitress, she also accompanies customers to the comfort room where she drinks an alcoholic beverage together with the customer and engages in sexual activities and sexual intercourse for a monetary payment. Eseun get's paid \$800.00 USD bi-weekly from Cha. She also stated that she goes into the comfort room to give massages, but does not have any documents stating that she is a trained massage therapist. When asked if Cha knew of the activity happening in Blue House, Eseun stated no and that she only tells them to go into the comfort room to massage the customer. Eseun stated that she has about 2-3 customers a night whom she engages in sexual activity with. According to Eseun, when a customer pay \$40.00 for sexual activity, \$35.00 goes to the employee and \$5.00 goes to Cha. Later into the interview, Eseun stated that she is one of the girls who watch over the other girls to make sure that they do not leave Blue House and that they do not talk about what they do in Blue House to anyone over the phone. When the girls get the chance to go out to mall or anywhere away from Blue House, they are always with Cha and they are constantly monitored by Eseun. According to Robert, she and the other girls are not allowed to leave Blue House unless with Cha. Eseun also stated that she did know of prostitution occurring in Blue House prior to her leaving in 2007. But upon her return, she hasn't had knowledge of any prostituting in Blue House. Eseun concluded this interview by stating that she had sexual intercourse with 2 male customers last night 1/12-1/13/08 for a monetary payment of \$40.00 each. (DUE TO LANGUAGE BARRIER AND THE REQUEST OF ESEUN,  
SPECIAL AGENT B. A. NANATO PLAYED A TRANSLATOR DURING INTERVIEW)
